# Why choose Storks Photography

- We come to you while you are staying in the hospital.
- No need to go anywhere, it all happens right in your room.
- Family and/or siblings photographed, optional (immediate family only).
- Upon purchasing your package your photos will be posted to you within 5–14 business working days.
- Bookings must be done before your newborn is 2 weeks old.
- No session fee.

## Photographing your Special Care baby

If you would like us to photograph your baby, it is best done when your baby is closer to being discharged from the hospital, and all drips and tubes are removed.

I will be happy to arrange for your photos to be taken in the Nursery or on the ward.

### I am...

- Specialised in newborn photography.
- Professionally trained in newborn positioning and care.
- I have extensive experience working within both Calvary and Canberra Hospital with 100s of happy clients.
- I will make your session relaxing and hassle-free.

#### Yvette

“Thank you for the beautiful photos you took of Matilda. You put a lot of time and effort in to make sure they were perfect.”

#### Sharna

“I’m so pleased with my photos of my new baby boy, Kristy was very patient and professional and made myself and my baby feel so comfortable during the photo shoot.”

#### Nadia

“Thank you for a fun session! You made us feel at home and really relaxed. Very professional and hospitable. We are really happy with the photos.”
